Ballin' On A Budget

Milestones Motivation & Money

The Entrepreneur Think Tank

## ABOUT

Angel is a Speaker, Author, Business Consultant & award-winning Financial Educator with 10+ years of experience in Corporate Finance & Technology. Angel is the owner of a financial education company, A Leverage Group, where she works to empower consumers & entrepreneurs through financial management.

Best known for saving \$100,000 in 18 months, Angel Radcliffe has empowered thousands of consumers and entrepreneurs all over the world, teaching them the financial foundations of personal finance and entrepreneurship.

Angel is also the Founder of Milestones, Motivation & Money, a podcast and online community focusing on empowering consumers & entrepreneurs through financial management, business, and motivation, alongside the Ballin' On A Budget-themed content. Driven by a passion for Financial Literacy, Ms. Radcliffe works within communities to teach the strategies of Budgeting & Financial Management for Entrepreneurs.
